

Online Witnessing:

(lastmodified=07/10/24)
(lastmodified=12/10/24)

About this form:

This form is the instruction form for **online witnessing**.

General overview:

Online witnessing is spreading the message over the internet. It is divided in to two: online witnessing and online editing. We cover the online witnessing via forums on this form.

The two formats:

Online witnessing:

Online witnessing consists of spreading the message over the internet mainly through forums. They are two types of online witnessing:

1. **Shields** ►))) : Shield witnessing is demonstrated by this symbol ►))) and is just staying on the same site and defending the faith
2. **Evangels** ⇄⇄ : Evangel witnessing is demonstrated by this symbol ⇄⇄ and is spreading the message on as many **different** sites as you can. There is more info about this below.

Instructions:

Online witnessing ►)))⇄⇄

Online witnessing primarily concentrates on spreading the good news over the internet. Some benefits of online witnessing in contrast to witnessing in person is that it doesn't depend on the weather, if you have the ability you can post in different languages, you can post to specific religious sites (such as Judaism), you can post to forums which have users from a specific nation of the world (such as Israel), you can post in teams, you can post anonymously, you can work from home and you can take your time responding to other people's posts. This is especially useful and you may want to use your time to look in your Bibles, AOY literature or a Strong's concordance before you respond to answers.

Online witnessing may be an important tool to supplement WMLK broadcasting. The two can work hand-in-hand. Online witnesses could witness the fact that WMLK is broadcasting on the channel 9275 on shortwave radio while witnessing the truth. This is very important as we need to get out the fact that WMLK is broadcasting and where they need to go to hear the broadcast.

As WMLK is popularised, the most important thing for online witnesses will be then to defend the ministry and explain why it is the truth through the Word of Yahweh. You can be assured that many people will attempt to accuse the AOY as a cult, which is why we need Shield online witnesses on the ready. If AOY online witnesses didn't exist, the religious discussions on the internet would be **nothing** but false doctrine and very few people would be standing up for Yahweh. Think about that.

Online witnessing is therefore important tool to promote WMLK, while publishing the truth and then to defend the ministry .

Dealing with atheists

Of course, there are problems with online witnessing. The main one being people can be very disrespectful – to you, to the faith, to the Almighty and to the Bible. Further, people may ask questions which it is a shame even to speak of. Things that to those affiliated with the AOY are obvious, but to those outside, are not. Your job will be to provide light in whatever forum you find yourself.

Especially what's troubling is a rise in atheism. Strangely enough, atheists seem to be attracted to religious boards. Atheists generally have no respect to the Word and converting an atheist to belief can be extremely difficult, not to mention time consuming. You have to remember that most atheists don't **want** to believe. Choosing to respond to atheists posts is a personal choice you'll have to make, but it's recommended that you stick to what you know for sure, which is that we are to keep Yahweh's commandments and the faith of Yahshua.

Dealing with those sorts of people takes a great deal of inner strength, not just finding the strength to answer questions they ask but also to remain respectful even when they aren't.

You will learn how to become a competent and well-versed witness for the truth on these sites the more you use them.

First things first

If you are doing online witnessing you will need to firstly find a site (usually a religious one) to witness on. Once you have found one you'll have to create a username and password. Then, depending on whether you are doing online editing or online witnessing (shield or evangel), you'll have to fill out the

appropriate form. Once you've completed a witnessing session, fill out the form and send it to the [Living Way email address](#).

Choose an appropriate username and act maturely

- Please choose an appropriate username like 'Good News' or 'Messenger'. Remember, you'll be witnessing to perhaps many people so how you speak (write) to people is of vast importance.
- Always try to be polite even if you disagree vehemently.
- Try always to start off your post with 'Good morning' or 'Good afternoon', 'Yom Tov' or 'Shalom'.
- Do not ever use all capital letters on words. It makes it look like you're angry and shouting. You must always present the ministry in a good light by staying positive and balanced.
- Zeal is a blessing, but you're going to find yourself among individuals who will stir your zeal up to unprecedented levels due to the insincerity you're going to find from Christians who, upon confronted with the plain truth, will not subject themselves to it. We're not going to say, don't be zealous. Zeal is what we all want, and more of. But, you're going to have to channel your zeal in a way that will convict the gainsayers and not to simply put them off.

Some more info about evangel online witnessing ↕↕

Evangel online witnessing isn't simply spreading the message on as much different sites as possible. Evangelists will be used to test the waters, so to speak, of the forums they find. Evangelists should put up a post on the forum they find, promoting the AOY and its message, however, they should keep tabs on that discussion (known as a thread). Depending on what response you get, and by looking at the forum and the type of users on there and their responses, you will be able to give a report on the suitability on that site for shield online witnesses to take over from you.

Note: After some consideration, the editor thinks that only those who are **20 years old** and upwards, who are **baptised** in the faith, should attempt to do evangel online witnessing. This is because we cannot guarantee the suitability of certain forums for those under the age of 20.

The evangel message:

In terms of the message that evangelists should put up, it should include the fact that WMLK is broadcasting on channel 9275 on Shortwave radio. Further, it should explain that these are the last messages of Revelation 14 and that the AOY is the true Body of the Messiah in these last days because we keep the commandments and hold the faith of Yahshua.

Perhaps the AOY will want to write out set message for all evangelists to use to put up on forums. Also, if the AOY ever create a WMLK poster and upload it to their site, evangelists could link to that in their post.

It should be pointed out that if you try to post a post with this message straight away, it will probably be removed. You can write it within your post in a way that doesn't come across as advertising. The editor has included a small message about WMLK in the footer of his posts.

Shield witnesses can take over

The AOY may want to assign someone to shield that forum depending on the report you give. You should (as an evangelist) spend a minimum of **3 days** on one forum/site before moving to the next. If responses are still coming in, then feel free to take longer. Also, you can put up more than one thread if you want.

You can swap and change from shield online witnessing to evangelist online witnessing how many times you want.

Shield or evangelist

If you want to stick on the same forum and witness there, the editor called this shield witnessing, alternatively, if you want to spread the message on as many different forums as you can, then the editor called this evangelist witnessing. It's up to you. Perhaps you want to do both. There's no right or wrong answer. However, depending on what you do, you have to fill out a slightly different form.

Finding sites to work on

You will have to do some research, but researching 'forums' might not be the best method. You can also witness on news sites which allow you to put comments up. That way you can denounce evil while simultaneously witness for the AOY. Reddit and Quora are two sites which really could do with being shielded, though they are massive sites and it would take at least a few people to adequately put up a defence on that site. Constantly they are posts involving questioning the Name of Yahweh and denying the importance of using His Name. Also there has appeared misinformation about the Assemblies of Yahweh. The editor has attempted to defend especially the Assemblies of Yahweh when cult accusations of the ministry come up, but Yahweh deserves a defence of His Name also and the importance of using the Name Yahshua, something one person alone cannot do.

If you feel brave enough, you can also witness on the social media sites you use such as Facebook. If you do not want to put your name and most likely face to witnessing (using your personal account) that's fine too. You can of course create a separate account if you like simply for the purpose of witnessing. There are a number of Facebook groups which would really benefit from being shielded by AOY persons, but most likely, you will be suspended or banned from at least some of them, especially where antagonism exists against the Name Yahweh, the Bible and the Assemblies of Yahweh. That cannot really be helped. We must witness the Truth, however, presenting your witness will take a lot of tact in specific Facebook groups, such as Jewish ones, to avoid being suspended or banned. Always remember to be polite and speak in the same love with which Yahweh and Yahshua loved us.

Filling out the forms

Print name:

Joe Bloggs

Date:

Group no / tribe:

ZEBULUN

For the first section on both evangel and shield witnessing forms you are to put your name, the date and your group no / tribe. For the date format put the day, then month, then year. Unless the AOY has put you in to an online group which has a group number, or tribe name (like Reuben, Benjamin etc.) just put 'Contributor N/A' in this box. We now have a drop down box under Group no/tribe.

Remember, Contributor just means you have contributed something in the form of work but are not part of any of the online groups. Please do not select an online group such as Zebulun, or Reuben if you are not part of that group and have not been put in a group by the AOY.

Evangel online witnessing form

Forum:

Please insert the forum link you've worked as an evangelizer on in the row in this table below

www.bbc.co.uk/dna/mbreligion

In the second section of the Evangel online witnessing form you are to put a link to the forum you have worked as an evangeliser as. In the above case, this site is now closed down, but it was a religious forum.

In the next section, you give the forum an age rating. Some forums are notoriously bad in the sense that they are no moderators and there can lead to disgusting, foul language and conversations which shouldn't be allowed. As an evangel witness, you will encounter various different people from all walks of life. It is important then to go through the forum and figure out what age rating the forum deserves. It may help the AOY figure out who should shield a forum, or more importantly, if a forum should be shielded. In the above case, the site in question was very friendly as it was run by the BBC who had strict moderation. Click on the checklist next to the correct age rating.

Age suitability rating:

Tick the correct age rating checkbox. If you are unsure of what rating to give a forum, you can leave up to two ratings below.

<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

In the next section, you have to put how difficult you think it will be for a shield witness to take over from you. How difficult will it be for them to witness? In this example we have given the rating a **medium** rating: Just click on the checkbox next to the preferred choice.

Difficulty rating:

How difficult is it, or will it be, for online witnesses to shield this forum

Easy	Medium	Hard	Difficult	Impossible
<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

This is because all religions were welcome on the board and there was little discrimination.

Time splitter:

Please estimate the time you have spent in the forum accordingly

Total days spent on forum = 7

Total minutes spent on forum = 90

In the next section, is the **time splitter** section. You have to write how many days you have spent on the forum. Remember, that doesn't necessarily mean contributing, it may mean simply observing other forum users and forum discussions. For the next section, the **mini report**, put any additional details that you have noticed about the site that might be a help to shield witnesses i.e.

Mini report:

Please give us a condensed report of the forum/site/group itself and its suitability for shields. Feel free to use links to threads or even screenshots or copying of text.

This Facebook group is called FROM THE RIVER TO THE SEA [Israel Will Always Be!]. I was invited by a Jew who is a friend of mine on Facebook who happens to be admin. I have spent a few weeks on the group, although contributed only on about 7 separate days. The majority of people on there are indeed seemingly Jews; however, the general feel is that despite their being a lot of pride from Jews, and belief that everything will work out, calls for spirituality and turning to Yahweh is lacking.

When a Jew posted that all Israel should militarize, and that we should beat our plowshares in to spears... with a complete lack of mentioning anything to do with Yahweh, or relying on Yahweh, I posted a scripture from Ecclesiastes:

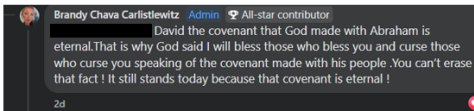

Interesting thought: Ecclesiastes 9 says: "I returned, and saw under the sun, that the race is not to the swift, nor the 'battle' to the 'strong', neither yet bread to the wise, nor yet riches to men of understanding, nor yet favor to men of skill; but time and chance happens to them all."

What is the solution then?

The only solution is looking to Yahweh for your salvation. Until Israel and the Jews do that, there won't be any lasting peace or any real solutions.

You can't take on the whole world by your own might.

An admin responded with the idea that, because they are 'the chosen people' they will be fine.

My response which is below, intending on humbling her, got me a suspension:

Brandy Chava Carlislewitz Good evening. I would like to remind you that Abraham was not a Jew. Jews came many decades later through the line of Judah.

Now we have the question of who is Yahweh's people. The Jews are indeed descendants of Jacob. The Judah tribe is one of the 12 tribes of Israel.

Jeremiah 3 says: "11 And Yahweh said to me, Backsliding Israel has showed herself more righteous than treacherous Judah."

How is that possible do you think? The 10 northern tribes went in to Assyrian captivity and yet never "returned".

Isaiah 10: 21 says "A remnant shall return, even the remnant of Jacob, to the mighty El. 22 For though your people, Israel, be as the sand of the sea, only a remnant of them shall return: a destruction is determined, overflowing with righteousness. 23 For a full end, and that determined, will the Sovereign Yahweh of hosts, make in the midst of all the earth."

Just because you can claim to be Abraham's seed in the flesh, which yes, most Jews are, does not mean you can claim to be Abraham's seed in the Spirit.

Ishmael was also Abraham's seed, but Ishmael has proved a thorn in our side for centuries.

Those who can claim to be Abraham's seed must like him have faith in Yahweh. (Genesis 15:6)

Shabbat shalom.

Nonetheless, it would be useful to have some shields on this Facebook group to encourage the Jews in a time of great anti-Semitism and especially in regards to being more spiritual, seeking Yahweh etc. However, whoever is assigned to shield here need to understand the sensitive nature of this group. One can very easily be perceived as a anti-Zionist even when standing up for something as simple as teshuvah. Therefore it is of utmost importance to be polite. Although I used the Name Yahweh freely and consistently, I rarely mentioned Assemblies of Yahweh (our faith) or Yahshua, however, when a cult claim came against the AOY, I did mention both when defending t faith, a post that was removed. However, on my Facebook profile, in description, I have in public view that I am a member of the Assemblies of Yahweh should anyone click on my profile as a kind of silent witness. I would suggest others to do the same.

(You may need to magnify or zoom in to read the above)

For the final bit of the form, just write in your username exactly how it appears on the site you used i.e.

User Name:

Write your username in the below row.

UserName=The Covenant

They are instructions **10** sections down as to how to save the document before sending it to the Living Way.

Shield online witnessing form

For the second and third sections of this form you are to put the website which you have gone to do witnessing under the **Forum** section and **Threads** section. In the forum section put the overall site name that you did witnessing on such as www.bbc.co.uk/dna/mbreligion . If the site is a big site with different categories, not just religion categories, then put a link to the religious section of that site to which you witness on.

In the **threads** section, put a link to each of your posts on the site using a new row for each new post you have posted. If you cannot link to a specific post you have done, just put the link here to the URL (webpage(s)) that have your posts on. Please also include screenshots of both the post you are responding to, and your reply, both in the same row with the link. If you cannot copy and paste the link, or if you can, but the link is a private one (i.e. the Living Way won't be able to access the link), then just use screenshots. To get screenshots on a Windows computer you can either use the Printscreen key, or the Snipping Tool. On other smart devices screenshots are taken various ways, such as pressing the power button and volume up button on things like iPhone and iPad etc. Please crop the screenshots so it contains just the posts you refer to, or if you cannot crop them, then use some kind of draw tool to encircle, highlight or point to the posts you are referring to.

If you cannot for whatever reason use screenshots, then you may simply copy the text from the site, both of what you responded to, and your own post.

See below for a demonstration:

Threads:

Please insert the post or thread links you have contributed to in the row in this table below. As well, or if you cannot post the links (if say the links are private) you can post screenshots or else copy the text (insert more rows if needed)

I have noticed that poll's with this kind of question shows that most in this forum who are active are either Atheists or Agnostics. Actual religious people who believe in a God in a religious forum are the minority. It's not strange.

A belief in God is not absolutely due to a particular religion. It could also be based on reason and logic and it has been discussed for a long long time. Yet, it seems to be ignored and a lot of times the cart is shoved before the horse for effort and religious argumentation deemed needed.

Belief in God could stem from logical reasoning. Philosophical argumentation. Religions and scriptures are not absolutely necessary. I believe people should go to fundamentals rather than banking on peripherals to ~~kill~~ God. I think that's exactly what Nietzsche said being an Atheist with nihilistic tendencies.

What do you say??

My response :

Hi firedragon. Good afternoon. I agree with some of what you said. The tendency of mankind is always to go in the direction of rejection of Yahweh and His Laws because mankind is carnal. Nonetheless, in terms of Nietzsche, who you mention, he was indeed an atheist for his adult life and so some argue that he didn't mean that there was an Almighty who had actually died, but rather that our idea of one had. Either way, I am not old enough to recall people actually using this phraseology, although yes, I have heard of more senior people talking of this popular saying decades ago, that the Almighty is dead. People would like to believe Yahweh is dead. Unfortunately for them, Yahweh is not this old, senile man sitting in the corner of the Universe somewhere, trembling and muttering incessantly to himself in delirium. He is very much alive and He is in control of this Universe and His mind is far greater than any of the minds that humankind has produced, even those who would be considered the great minds, the likes of Einstein, Galileo Galilei or Isaac Newton. Yahweh far outstrips them all. Has mankind been able to produce life? The closest they have gotten is a mimic of life in robotics. Do we have any idea of the sheer weight of calculations it would have taken to create even a single bacterium and all life actually, to have created it so well that they have existed all the way down to our time.

But oh no, don't give Yahweh the glory, just say evolutiondiddit or bigbangdiddit.

We've just finished the book of Job (a Biblical book) yesterday in my faith, the [Assemblies of Yahweh](#), as part of our Bible Reading Program, a program which allows us to read through the entire Bible in one year. But I'd like to share some of the thoughts expressed in that book to show Yahweh's incredible power which we have only a limited knowledge of, even in our technological age.

Job 38 says:

"Then Yahweh answered Job out of the whirlwind, and said, 2 Who is this that darkens counsel By words without knowledge? 3 Gird up now your loins like a man; For I will demand of you, and declare you to me. 4 Where were you when I laid the foundations of the earth? Declare, if you have understanding. 5 Who determined the measures of it, if you know? Or who stretched the line upon it? 6 Upon what were the foundations of it fastened? Or who laid the corner-stone of it, 7 When the morning stars sang together, And all the sons of Elohim shouted for joy? 8 Or who shut up the sea with doors, When it broke forth, as if it had issued out of the womb; 9 When I made clouds the garment of it, And thick darkness a swaddling-band for it, 10 And marked out for it my bound, And set bars and doors, 11 And said, To here shall you come, but no further; And here shall your proud waves be stayed? 12 Have you commanded the morning since your days began, And caused the dayspring to know its place; 13 That it might take hold of the ends of the earth, And the wicked be shaken out of it? 14 It is changed as clay under the seat; And all things stand forth as a garment: 15 And from the wicked their light is withheld, And the high arm is broken. 16 Have you entered into the springs of the sea? Or have you walked in the recesses of the deep? 17 Have the gates of death been revealed to you? Or have you seen the gates of the shadow of death? 18 Have you comprehended the earth in its breadth? Declare, if you know it all. 19 Where is the way to the dwelling of light? And as for darkness, where is the place of it. 20 That you should take it to the bound of it, And that you should discern the paths to the house of it? 21 Doubtless, you know, for you were then born, And the number of your days is great!"

Feel free to continue to read this as well as the remaining chapters of the Book.

These are just some of the things that Yahweh speaks to Job to humble him. Evolutionists need to be humbled. They don't have a clue. When they stand before Yahweh at the Judgement Seat, they will be standing before the Power of this Universe, a Being who even the mountains quake at His presence (Isaiah 64:1-3). Saying but I thought we evolved from bacteria isn't going to bode well is it? We all have Yahweh's Word, we have evidence of His Word that it is true and we have evidence of Yahweh in the beauty and design of this planet and this Universe. Many things continue to elude scientists. The Hubble Bubble continues to dismay scientists who are seeing that it is not supporting their previously held views about the formation of heavenly bodies in the 'early' Universe. But how many turn to Yahweh? Very few unfortunately. Surely, belief in a Creator, in an Almighty, should then naturally lead to belief that He would want His will to be made known? And we have that in the Bible. We have the historical, accurate telling of events from the beginning and the events which have yet to occur and all we need to do as a people is accept Yahweh, accept Yahshua, be baptized in His Name and keep His commandments to have a place in the Kingdom to come.

For the fourth section you have to fill out the **time splitter** which simply splits up the amount of time you've spent on a forum. The time is split in to minutes. If you're spending more than 2 hours a day on the forum then you should try to cut back the amount of time you're spending on there. An example is given below:

Time splitter:
Please split the time you have spent in the forum accordingly
<i>Total time = 90</i>
<i>Browsing time = 30</i>
<i>Writing posts = 60</i>
<i>Other =</i>

In the next section you are to give a **mini report**. This is your chance to say exactly how you felt about the witnessing. You can even use it to blow off some steam. An example is given below:

Mini report:
Please give us a mini report of how your witnessing went today.
<i>Witnessing went well. I was able to direct several people to the assembliesofyahweh.com website and the Memorial Name Yahweh book. I quoted all my quotes from the SSBE and did a good job in putting Yahweh's Law in a good light and explaining what Yahshua's purpose was, but I did get a couple of no-law Christians claiming the Law has been done away with, but I felt their arguments came apart easily when I examined their arguments.</i>

Finally, you fill out the **satisfaction** chart which is how satisfied were **you** with the witnessing that you did. If you feel you gave a really good witness then give yourself an A. Just click the checkbox next to the correct grade. An example is given below:

Satisfaction Grade:
Rate how it went. (A is the highest grade, E is the lowest grade) Tick checkbox next to the correct letter.
<div style="display: flex; justify-content: space-around; align-items: center;"> <div style="background-color: red; color: white; padding: 5px; border-radius: 5px;"> Ⓐ <input checked="" type="checkbox"/> </div> <div style="background-color: orange; color: black; padding: 5px; border-radius: 5px;"> Ⓑ <input type="checkbox"/> </div> <div style="background-color: yellow; color: black; padding: 5px; border-radius: 5px;"> Ⓒ <input type="checkbox"/> </div> <div style="background-color: lightgreen; color: black; padding: 5px; border-radius: 5px;"> Ⓓ <input type="checkbox"/> </div> <div style="background-color: blue; color: white; padding: 5px; border-radius: 5px;"> Ⓔ <input type="checkbox"/> </div> </div>

Spirituality room

In November 2020 we added the spirituality corners. This is for those who do online volunteering for their tribe. It shows what spirituality points can be obtained by doing the assignment. Feel free to skip over these if you are not an online volunteer. You can obtain 1 witnessing point for each of the witnessing activities and a chat point..

Spirituality room:

If you are doing volunteering in your tribe, you can obtain points for your tribe by having the spirituality points added to the scoresheet.

The study corner
(0.5)

The chat corner
(1)

The witnessing corner (1)

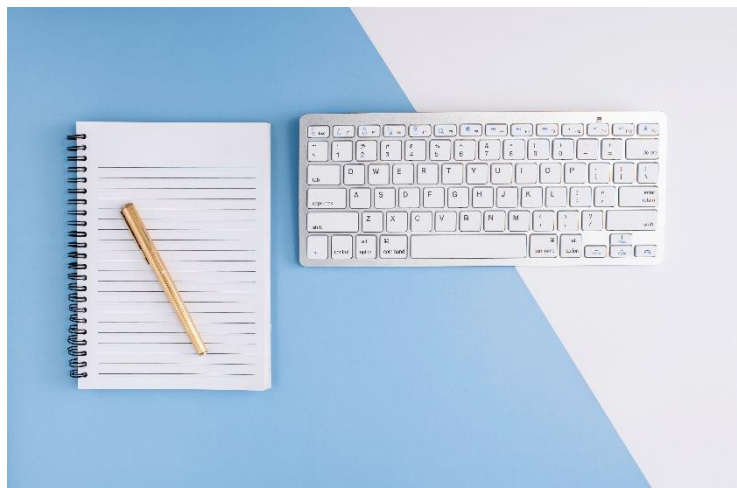

The media corner
(0)

Spirituality points are added to the tribes overall points.

The main goal of these categories is to help nurture the Holy Spirit and even though a Living Way email address hasn't been created as of yet to enable contributions or volunteering, the editor hopes those who can, to use the seven categories on messianicisraelite.com to help foster their spirituality in the meantime however, for their own personal use.

Useful tips!

- Have your AOY books and literature at the ready while online witnessing so you can easily refute the arguments that come your way.
- Quote scripture and make sure you use the Sacred Scriptures Bethel Edition.
- Take a notepad and pen with you when you're doing online witnessing and write in questions people ask, then come up with some answers in your spare time when you're away from the computer and type them up later. This way you can spend your time coming up with a draft of how you want to respond and this way you can come up with some really good answers and if you like, file away those drafts in a folder so you can peruse your answers away from the computer.

The Assemblies of Yahweh official site

Assemblies of Yahweh
Proclaiming Yahweh's Truth to the World

One of the best resources that you can use is the Assemblies of Yahweh site. On it the Assemblies of Yahweh have kindly made available all their articles on the different subjects that you can refer to when you get stuck, such as Trinity, Duality or Oneness, or Yahweh's Spokesman article would be

useful for explaining the term Elohim to an interested enquirer. Make sure you use this wonderful resource. It means you don't need the articles in front of you, you can go online to read them. You will have to type whatever you need out of the article.

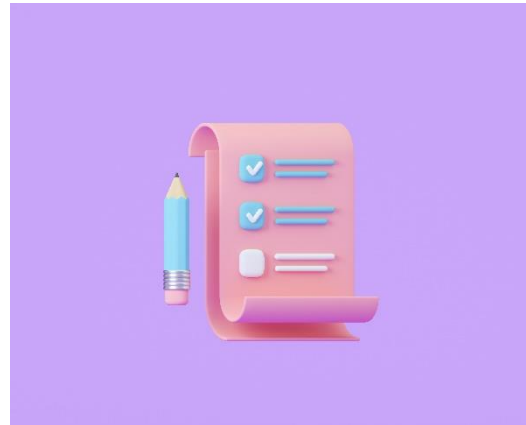

Notes for verifiers only

No notes.

Topics you may want to get involved in

Below are some topics you may want to get involved in as an online witness:

1. Any aspect of doctrine (use the AOY Statement of Doctrine)
2. Use of the Sacred Names
3. The importance of keeping the commandments
4. Creation vs evolution
5. The importance of taking a literal interpretation of the Bible
6. Defending the Assemblies of Yahweh, Yahweh, Yahshua etc
7. Exalting Yahshua as the only one who has the power to save us

Atheists attack

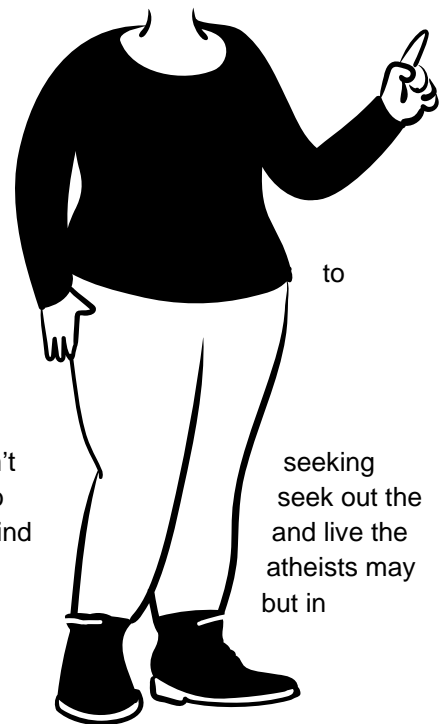

You'll find that many atheists will attack especially the points 4 and 5. They'll attack the creation story and they'll mock the literal interpretation of the Bible. As mentioned previously, you'll need inner strength to deal with these people. On the subject of creation vs evolution you may want to peruse the online book 'In the beginning' by Walt Brown. Although it's not all accurate, it has compelling evidence to why macroevolution isn't true in the life sciences section (the first section) of the book.

Questions atheist will ask

Atheists will ask questions like, "If the Bible is true, why isn't there evidence of a global flood?" You'll note here that the way they word the question is to implant doubt in your mind of the Bible's veracity. You will have to do your own research, in this case of a global flood and present the evidence: - and you will find evidence. But you should remember, if you don't feel strong enough to deal with their constant questions, then don't attempt address them until you are baptised.

Focus on those seeking Bible truth

Either way, you have no obligation to respond to people who aren't truth. Remember, Yahshua the Messiah instructed his disciples to worthy ones. That is, those people who have a sincere desire to find truth. It's these people your primary interest should be on. Many pretend they're seeking truth by asking questions like that above, actuality, they are there simply trying to spread atheism.

Nothing to fear

The most important thing about witnessing that you need to remember is that you have nothing to fear. You're going to find that **Chr-stianity does not have the answers**. The AOY has all the answers because it's the truth. If you get stumped on something and you've tried reading AOY literature and are still struggling, then phone in to the AOY and ask them for clarification so you can be a better witness. They would be glad to help.

Advice

The editor mentioned earlier that with online witnessing you can target specific countries and specific languages. This may not be the best but one of the ways you can do this is by using this tool: https://www.google.com/advanced_search

If you search for religious forums, or Chr-stian forums, or Jewish forums in the region of the world you want, or in the language you want, you should be able to find some forums to contribute to.

Furthermore, if you have a smartphone you may want to download the **Tapatalk** app. It, in theory, allows you to overview many different forums and therefore will help you organise your contributions to forums. Currently, It would seem better suited for iOS phones than Android phones.

Also, anyone who desires to do online witnessing should sign up to Google Alerts to catch any time the 'Assemblies of Yahweh' is mentioned or 'Jacob O. Meyer' on the internet. Upon doing this you will be able to drop comments in the comment sections of these sites to deal with anything that reflects badly on the AOY.

Saving your checklist form and emailing it in

When you have completed some online witnessing, shield or evangel, then you should fill out a shield or evangel checklist form which you'll find on www.messianicisraelite.com . Save it as **Online Witnessing** followed by an underscore, then, your first and surname followed by an underscore, then if you did shielding use a '**s**' or evangel an '**e**' and then follow that by an underscore and then input the date. An example would be:

Online Witnessing_John Smith_e_14042013

The above says that online witnessing as an evangel was done and completed on the 14th of April 2013. Once done, email this to your tribe leader if you are a volunteer. If you are simply a contributor send your form to the Living Way.

Difference between 'contributors' work from 'volunteer' work

A brief history

At the present time (February, 2016), messianicisraelite.com has been set up as a foundation to which anyone affiliated with the AOY and is 16 or over may contribute work or good fruit to the Assemblies of Yahweh or Yahweh himself through the internet via the Living Way Youth Program. The individuals that send work to the Living Way by this method are called **contributors**.

The difference between the volunteers and contributors would be that volunteers would be dedicated online workers, producing work consistently every 2 weeks, or, 'every season', whilst contributors would just send in work whenever they can or want to.

Below is what you **should** know about the online witnessing category if you are considering becoming a online volunteer for the future and if Yahweh wills.

Volunteering

As a volunteer working in an online group with others for the furtherance of Yahweh's truth, you'll be given the task of seeking out new forums to witness on, supporting shields (esp. those under the age of 20) that already exist on forums by witnessing with them and shielding new forums which would be unsuitable for those younger people to shield. Being in the online group will mean you'll be able to share experiences, encourage each other and support each other as you endeavour to spread Yahweh's truth. Volunteering is far more enjoyable than contributing because you will, if it's Yahweh will, gain merits, points and other awards for doing work.

Going on news sites and leaving comments upholding the law of Yahweh would be useful too. They are many forums out there. Teen forums, parenting forums, mental health forums etc. Having a presence of the Assemblies of Yahweh would be useful where we promote the Assemblies of Yahweh and what Yahweh has done for us through Yahshua the Messiah in forgiving us for our sins and given us the opportunity to be in His glorious Kingdom. Here's a snippet of an assignment sheet which involves online witnessing:

Further, in this category, one could also be asked not only to write drafts for responses to people's posts, but also to write articles in defence of the Assemblies of Yahweh on the internet especially those articles that have appeared directly or indirectly calling the Assemblies of Yahweh a cult. This would be done by the online witnesses. In this way Yahweh would have a defence on the internet. The editor has devised part of this to be called ROAR (Research Or / And Report). Volunteers who will constantly check the internet for what is being said about the AOY so we can address these things and confront those who speak ill of the Assemblies of Yahweh, the Body of Yahshua.

Volunteers may not only be asked to do writing tasks, but also those who are on fire for Yahweh and full of zeal, to create videos explaining how they feel about the Assemblies of Yahweh, not necessarily shared publicly, but with a mind to share this with the other online volunteers to encourage them on the online groups.

Vision

The vision the editor has is that the Assemblies of Yahweh could have an army of volunteers, online volunteers all over the world, who are beautifying the Assemblies of Yahweh both internally and externally and working in the Word of Yahweh, not only to strengthen themselves spiritually, but to strengthen all those who share in their works. This Body is the Truth, and we want to prepare this glorious Body as a beautiful Bride of the Messiah so Yahshua our Savior and soon coming King will be pleased at His Coming and even before that, that Yahweh could look down from heaven and see a people who love Him, love His Word, love Yahshua and love each other. The world may be becoming more evil and corrupt, but in the Assemblies of Yahweh we want to be becoming more spiritual, more loving. Let us prove to Yahweh our love every day and make the Assemblies of Yahweh the type of organization that Elder Jacob O. Meyer (OBM) envisioned years ago.
